

AppleCare Protection Plan

Terms and Conditions

Your AppleCare Protection Plan ("Plan") is governed by these Terms and Conditions and constitutes your service contract with Apple Computer International ("Apple").

1. Coverage

a. Coverage. For the period ("Coverage Period") stated in your Plan's Certificate or Proof of Coverage document (Plan Confirmation"), Apple (i) covers defects in materials and workmanship for the Apple branded product(s) ("Covered Equipment") listed on the Plan Confirmation document, and (ii) provides you with access to telephone support and web based support resources for the Covered Equipment. Apple's obligation to repair or replace shall extend only to Covered Equipment located in a country listed in section 10(d), except for (A) portable computers, meaning those that can operate independently without a power cord, and (B) Mac mini, for which Apple will provide global repair and replacement service.

b. Plan Confirmation. To obtain the Plan's Confirmation, you must enroll in the Plan by following the instructions that Apple provides. To enroll you must provide the unique agreement or enrollment number, which is included in the Plan's packaging ("Plan Agreement Number"). Education institutions choosing the Auto-Enrollment option, where available, will automatically receive a Plan Confirmation document. If you purchased the Plan along with the Apple-branded product to be covered at an Apple owned retail store, the sales receipt provided to you may contain the Plan Agreement Number, which confirms your product's coverage under the Plan and your receipt will serve as your Plan's Confirmation.

c. Date Coverage Begins. Your coverage for defects begins on the date your Covered Equipment's Apple hardware warranty expires. Your telephone support eligibility begins on the date your Covered Equipment's complimentary new product telephone support expires. One Apple-branded display is covered under the Plan, if purchased at the same time and enrolled with a covered Power Mac, PowerBook or Mac mini computer. An Apple-branded mouse and keyboard are also covered under the Plan if included with the Covered Equipment. An AirPort Extreme Card, an AirPort Express and AirPort Extreme Base Station, an Apple-branded DVI to ADC display adapter, and Apple RAM modules are also covered under the Plan if owned by you and used with the Covered Equipment.

2. Repair or Replacement Service Provided

a. Repair or Replacement Service. If during the Coverage Period there is a defect in materials or workmanship of the Covered Equipment, Apple will, at its option, repair or replace the affected Covered Equipment. Apple will provide both parts and labor, but may direct that you replace certain readily installable parts yourself, as described below.

b. Exclusions. This Plan does not cover any defects or damage to any software or data residing or recorded in the Covered Equipment. When providing repair or replacement service, Apple will use reasonable efforts to reinstall the Covered Equipment's original software configuration and subsequent update releases, but will not provide any recovery or transfer of software or data contained on the replaced unit not originally included in the Covered Equipment.

c. Service Options. If Apple determines that the Covered Equipment may require repair or replacement service, Apple may facilitate service through one or more of the following options:

(i) Carry-in service is available for most Covered Equipment products. Return the Covered Equipment requiring service to an Apple-owned retail store or an Apple Authorized Service Provider location offering carry-in service, if available. Service will be performed at the location, or facilitated through the store or service provider to an Apple repair service location. Once you are notified that service is complete, you agree to retrieve the product as soon as possible.

(ii) Onsite service is available for many desktop computers if the location of the Covered Equipment is within 50 miles/80 kilometers radius of an Apple authorized onsite service provider located in a country listed in section 10(d). Apple will dispatch a service technician to the location of the Covered Equipment to perform repair or replacement service. If a service technician visits your location at agreed times and you are absent, service may be subject to an additional charge.

(iii) Direct mail-in service is available for most Covered Equipment products. If Apple determines that your product is eligible for mail-in service, Apple will send you prepaid air bills (and if you no longer have the original packaging, Apple may send you packaging material) and you will ship the Covered Equipment to Apple's repair service location in accordance with its instructions. Once service is complete, the Apple repair service location will return the Covered Equipment to you. Apple will pay for shipping to and from your location if all instructions are followed.

(iv) Do-It-Yourself Parts service is available for many Covered Equipment parts, allowing you to service your own product. If Do-It-Yourself Parts service is available in the circumstances, the following process will apply.

(a) Do-It-Yourself Parts service where Apple requires return of the replaced part. Apple may require a credit card authorization as security for the retail price of the replacement part and applicable shipping costs. If you are unable to provide credit card authorization, Do-It-Yourself Parts service may not be available to you and Apple will offer alternative arrangements for service. Apple will ship you a replacement part accompanied by instructions on installation and any requirements for the return of the replaced part. If you follow the instructions, Apple will cancel the credit card authorization, so you will not be charged for the part and shipping to and from your location. If you fail to return the replaced part as instructed, Apple will charge the credit card for the authorized amount.

(b) Do-It-Yourself Parts service where Apple does not require return of the replaced part. Apple will ship you free of charge a replacement part accompanied by instructions on installation and any requirements for the disposal of the replaced part.

(c) General. Apple is not responsible for any labor costs relating to Do-It-Yourself Parts service. Should you require further assistance contact Apple at the numbers listed in the AppleCare Quick Reference Guide. Apple reserves the right to change at any time the method by which Apple may provide repair or replacement service to you, and your Covered Equipment's eligibility to receive a particular method of service, including but not limited to onsite service. Your eligibility to receive a particular method of service may vary from country to country depending on service parts availability.

d. Replacement Parts and Products. In the event we repair or replace your Covered Equipment, you understand and agree that the replacement product and parts that Apple provides may be manufactured from new, refurbished, or serviceable used parts. The replacement product and parts will be functionally equivalent to the replaced products or parts and will assume the remaining coverage under the Plan. The parts and products that are replaced become Apple's property.

e. Limitations. The Plan does not cover:

(i) Installation, removal or disposal of the Covered Equipment, or installation, removal, repair, or maintenance of non-Covered Equipment (including accessories, attachments, or other devices such as external modems) or electrical service external to the Covered Equipment;

(ii) Damage to the Covered Equipment caused by accident, abuse, neglect, misuse (including faulty installation, repair, or maintenance by anyone other than Apple or an Apple Authorized Service Provider), unauthorized modification, extreme environment (including extreme temperature or humidity), extreme physical or electrical stress or interference, fluctuation or surges of electrical power, lightning, static electricity, fire, acts of God or other external causes;

- (iii) Covered Equipment with a serial number that has been altered, defaced or removed;
- (iv) Problems caused by a device that is not the Covered Equipment, including equipment that is not Apple-branded, whether or not purchased at the same time as the Covered Equipment;
- (v) Service necessary to comply with the regulations of any government body or agency arising after the date of this Plan;
- (vi) Recovery or replacement of any data or software stored on the Covered Equipment;
- (vii) The provision of replacement equipment during the period when the Covered Equipment is being repaired;
- (viii) Covered Equipment that has been lost or stolen. This Plan only covers Covered Equipment that is returned to Apple in its entirety;
- (ix) Cosmetic damage to the Covered Equipment (including but not limited to scratches, dents and broken plastic on ports, that does not otherwise affect its functionality or materially impair your use);
- (x) Consumable parts, such as batteries, unless damage has occurred due to a defect in materials and workmanship; and
- (xi) Preventative maintenance on the Covered Equipment.

- (iv) Third-party products or their effects on the Covered Equipment, the Mac OS, or Consumer Software;

APPLE AND ITS EMPLOYEES AND AGENTS WILL UNDER NO CIRCUMSTANCES BE LIABLE TO YOU OR ANY SUBSEQUENT OWNER FOR ANY INDIRECT OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO COSTS OF RECOVERING, REPROGRAMMING, OR REPRODUCING ANY PROGRAM OR DATA OR THE FAILURE TO MAINTAIN THE CONFIDENTIALITY OF DATA, ANY LOSS OF BUSINESS, PROFITS, REVENUE OR ANTICIPATED SAVINGS, RESULTING FROM APPLE'S OBLIGATIONS UNDER THIS PLAN. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE LIMIT OF APPLE AND ITS EMPLOYEES AND AGENT'S LIABILITY TO YOU AND ANY SUBSEQUENT OWNER ARISING UNDER THE PLAN SHALL NOT EXCEED THE ORIGINAL PRICE PAID FOR THE PLAN. APPLE SPECIFICALLY DOES NOT WARRANT THAT IT WILL BE ABLE TO (i) REPAIR OR REPLACE COVERED EQUIPMENT WITHOUT RISK TO OR LOSS OF PROGRAMS OR DATA, AND (ii) MAINTAIN THE CONFIDENTIALITY OF DATA. NOTHING IN THIS AGREEMENT SHALL EXCLUDE OR LIMIT APPLE'S LIABILITY FOR (I) DEATH OR PERSONAL INJURY CAUSED BY ITS NEGLIGENCE, OR (II) FRAUD. FOR CONSUMERS IN JURISDICTIONS WHO HAVE THE BENEFIT OF CONSUMER PROTECTION LAWS OR REGULATIONS, THE BENEFITS CONFERRED BY THIS PLAN ARE IN ADDITION TO ALL RIGHTS AND REMEDIES PROVIDED UNDER SUCH LAWS AND REGULATIONS.
